**Tian (Sam) Xia**
Product Designer
Seattle, Washington

## Introduction

I'm a product designer with 8 years of experience in interaction design, typography, and product thinking.

I view myself as a Gestaltingenieur solving problems for the user and fostering success for the business from the intersection of design and technology.

## Experience

### Chewy • Senior Product Designer
May 2022

I'm currently on the Pet Life team focusing on pharmacy and health services for pets, and product experience for pet parents and veterinarians.

### Axon • Senior Product Designer
Oct 2018 – Apr 2022

On the foundations team, I maintained and expanded Axon's design system, drove its adoption, and defined patterns & features used across products.

Previously, I worked on Axon Records, the company's first standalone software product. It was launched at Fresno Police Department, California, in 2019.

### DaVita • UX Designer
May 2017 – Sep 2018

Interaction & visual design for Center Without Walls, DaVita's in-house electronic health records system. We piloted it at the Sumner dialysis center in 2017.

### Universal Mind • UX Specialist
Sep 2014 – Dec 2016

Agency work ranging from interface to service design, consumer to enterprise, and web to mobile. Notable clients: Herman Miller, Western Union, Principal Financial Group, and Complete Genomics.

## Education

### Indiana University Bloomington
M.S. Human-Computer Interaction • 2014

### Beijing University of Posts and Telecommunications
B.E. Electrical and Electronics Engineering • 2012

## Languages

Chinese (Mandarin)
English
